

Secure Your Future: The Federation of Indian Pilots Loss of Licence & PA Cover

The Federation of Indian Pilots (FIP) being a trust is committed to its objective of welfare of their members by safeguarding the financial well-being. The Loss of Licence (LOL) product provides essential financial protection for pilots facing a loss or reduction in their flying income due to medical reasons.

by Thomas Francis Colaco

A History of Reliability

1

20 Years of Service

The FIP has a proud history of over 20 years dedicated to Ensuring the financial security of Indian pilots.

2

Over ₹270 Crores Paid

The FIP has paid out over ₹270 Crores in claims, demonstrating a strong commitment to supporting pilots in times of need.

3

Thousands of Claims Processed

With 1753 TMU claims, 101 PMU claims, and 21 PA claims settled, the FIP has a robust track record of successful claim settlements.

Significant Cost Savings

Reduced Premium

For the Calendar Year 2025, the FIP has partnered with Howden and GO DIGIT Insurance, resulting in a significant **31.5 % reduction in premium** over last year for age groups 18 to 58.

Enhanced Affordability

The reduced premium makes the LOL product more accessible to all pilots, allowing them to secure their financial future without undue financial strain.

Increased Enrollment

The FIP encourages all members to take advantage of this opportunity and enroll in the LOL product to ensure their financial well-being.

Expert Partnership

1

Howden Insurance Brokers India Private Ltd as the Broker Firm and Go Digit General Insurance as the insurer

The FIP has negotiated with the broker M/s. Howden to procure a significant reduction in premium from the Insurer GO Digit General Insurance.

2

Enhanced Services

This partnership ensures that members are provided high-quality and efficient insurance services, backed by the expertise and reliability of both Howden Insurance Brokers India Private Ltd and GO DIGIT General Insurance.

Ease of Enrollment

1

Simple Process

Enrolling in the LOL product is easy and straight forward. The same can be done on our website www.fipindia.com

2

Clear Instructions

The FIP provides clear and concise instructions on how to enroll, ensuring a smooth and convenient process.

3

Online Enrollment

Members can conveniently enroll online through the FIP website, making the process quick and accessible.

Financial Security During Uncertain Times

Medical Reasons

The LOL product covers financial losses arising from medical conditions such as TMU/PMU and Personal accident.

Financial Security

It ensures that pilots can maintain their standard of living even if they are unable to fly due to medical unfitness

Financial Stability

The LOL product offers financial stability to the family in case of unfortunate accidental death of the member.

Community Support & Exclusive Benefits

Community Support

By enrolling in the LOL product, members contribute to a collective safety net within the pilot community, fostering solidarity and shared risk management.

Exclusive Benefits

Members who enroll in the LOL product may be eligible for exclusive benefits such as discounts on, health insurance, and other services, creating added value for their membership.

Thank You

We appreciate your continued support and understanding.
